

Dear Parent or Guardian,

My name is Mr. Weigold and I am writing to tell you about myself and the classes I am teaching this year. I am excited to start another year Bellefonte Area High School and grow with the school district, faculty and community. I will be teaching various business classes that can be found on my website. I am also involved in sports and clubs which can be found on my website.

To give you a little background about my education, I am a 2012 graduate of Indiana University of Pennsylvania (IUP) where I majored in Business Computers and Information Technology. I also participated and was President of IUP's Club Soccer Team. During my time at college, I was in many educational organizations, attended conferences, and took classes that greatly increased my content knowledge and skills of education, business and technology. I am excited to continue as a Bellefonte staff member and be a member of this great community. I will strive to have an open mind and always challenge myself and my students on a daily basis.

For every class, I will be sending home a syllabus and a syllabus/course requirements acknowledgement page for you and your child to sign. Each student will be required to submit a signed copy as their first assignment. This is just to ensure that my students understand my rules and procedures and will follow them throughout the year.

I am looking forward to teaching your child and having a great semester! Please feel free to contact me with any questions or concerns at [aweigold@basd.net](mailto:aweigold@basd.net) or by phone at (814) 355-4833 ext. 8214.

Sincerely,

Andrew Weigold  
Business Teacher
