Returning Student Personal Items
Returning Uniforms

Collecting School Items from Students
Yearbook Pick-up

Hello!

In this email, you will find the plans for cleaning out student lockers and returning materials to the students and to the school.

Returning Student Personal Items/Returning School Athletic Uniforms

During the week of May 11th, our staff will begin cleaning out student lockers. We will be taking every single item from each locker and placing all of the contents from that locker into a bag that will be labeled with your student's name.

During the week of May 18th, we have created a schedule, by last name, for you to come to the Middle School to retrieve your student's items. We will be operating out of our cafeteria, and as such, will ask that you drive around the back of the school to the cafeteria doors where a staff member will greet you at your car and ask you for the student materials you are retrieving. You will not need to get out of your car, we will deliver all items to your car. There will be signs around the outside of the Middle School to help direct traffic. You may pick up student materials during these days/times:

May 18 - All Students with last names A - L
9:00 am - 2:30 pm

May 19 - All Students with last names M - Z
9:00 am - 2:30 pm

May 20 - Final Call
4:00 - 6:00 pm - Any remaining items

*Please make every attempt to arrive to the school on your designated letter day. We want to make this process quick and simple for you and it will help us greatly if we only have half of the school arriving on one given day.

**Spring Athletes - if your student received a uniform for Spring sports, please return the uniform at the same time that you pick up your student's materials. Please place the uniform in a bag with his/her name on the bag. If you have any questions about this, please contact your coach.

Collecting School Items from Students

Please return all school-related items to the school during the days/times listed below. These items will include school Chromebooks, calculators, textbooks, novels, etc. Teachers will inventory these materials during the week of June 8th and you will be contacted if there is anything that we are still missing.

Please note, Chromebooks will be turned off from the District level and will not be able to be used past mid-June. It is important that all Chromebooks be returned so that they can be prepped, cleaned, and prepared for the next school year.

The last academic day for students will be June 9th. Our Activity Menus for the week of June 1st and June 8th will be modified as we take into consideration that school materials will be returned during the first week of June.

Please return all items to the cafeteria in the same manner that you picked up the items - drive around to the back of the school where a staff member will greet you at your car. You will then pass the materials off to the staff member where we will label and document the items we receive.

Days/times for dropping of student materials:

June 3rd - 2:00 pm - 6:00 pm

June 4th - 9:00 am - 2:00 pm

Yearbooks

Student yearbooks will be delivered at the end of May. Our hope is to be able to hand out yearbooks during the first week of June, most likely when you return student school items to the school. More details will follow in the near future.

8th Grade Promotion

Our teachers are working on a plan to celebrate our 8th graders and their careers at BAMS. This will be done virtually through a video that is being created. Parents/Guardians of 8th grade students - I will be in touch with you in the near future with additional details.

Thank you for your support! Have a great week!
