

Bellefonte Area school board meeting

The regularly-scheduled meeting of the Bellefonte Area School District Board of School Directors will occur as scheduled:

- 7 p.m. Tuesday, March 24, 2020 at Bellefonte Area Middle School, 100 School St., Bellefonte.

The public is permitted to attend and to participate as provided for in the Sunshine Act. However, given the circumstances that we are in with state-urged social distancing, and the uniform recommendations of public health professionals, the district urges members of the public to stay at home and watch the livestream of the meeting. It will be available on the **Bellefonte Area School District Facebook page** and by using the zoom meeting function, which will be available, here: <https://zoom.us/j/879276539>.

If anyone wishes to make a public comment, they can do so by attending the meeting (which is not preferred), by participating via the zoom meeting option (in which case your audio will be enabled during the public comment period), or by submitting a written statement, which will be read aloud during the meeting. You may email comments to publiccomment@basd.net. To see community participation information in school board meetings, please see Policy 900 Code 903 of the policy manual: [Board policy](#)

Please contact Ken Bean at kbean@basd.net if you have any questions.
