

# Bring Music Back to Life!!

Did you know that many band instruments cost several hundred to over a thousand dollars?

**The Bellefonte Performing Arts Boosters is sponsoring an**

***INSTRUMENT DRIVE***

**PLEASE CONSIDER PLAYING A PART IN HELPING OUR FUTURE MUSICIANS GROW!**

For decades, Bellefonte School District has provided instruments to students who wanted to play but were not able to afford instruments. Our goal has always been to turn no student away and offer the opportunity to play an instrument to any child. Many of the school's instruments are no longer in ideal working condition because of age and use. Many of them are too expensive to repair. We are asking our community to come together and donate to the instrument fund. The fund will be used to repair existing instruments, purchase new or slightly used instruments that can be used to help our future musicians grow!!

If you are interested in donating please contact us at ***BASDperfarmboosters@gmail.com***
