

Happy Monday!

We start our second full, five day week of school today. The students have been simply awesome through our first 12 days of school!

Just a quick update for cases...we were notified of only one new covid case in the district since my last letter on Friday, September 17th. A staff member at Pleasant Gap Elementary School tested positive over the weekend. There were no identified close contacts to this case.

As a reminder, the PA Department of Health (PA DoH) website includes a wealth of information regarding covid. Below is a link that includes the frequently asked questions, fact sheets, orders and additional resources on the PA DoH website.

Thank you so very much for your continued support, patience and understanding as we navigate these challenging times. I hope you have a magnificent Monday and a wonderful week ahead!

Sincerely,

Tammie Burnaford

Superintendent

Bellefonte Area School District
