APRIL 2018:

Welcome Spring!!!

Winter is finally a memory and the students and faculty at Marion Walker and ready to welcome spring.

Children will soon be enjoying field trips to various fun and educational destinations. Please check with your child's teacher for details.

FIELD DAY:

Preparations for this year's Field Day are well underway! Mark your calendars for Friday, May 18th (rain day May 25th). Field Day will be held at **Marion Walker Elementary School**. We will need lots of volunteers to help with games, lunch, set up and break down. (Clearances ARE required to volunteer) Please visit <http://signup.com/go/UUqwUnb> to sign up to volunteer.

Information will be sent home in coming weeks with details about the event. Parents, family and friends are welcome and encouraged to attend and help cheer on our student athletes! Clearances are NOT required for spectators.

JOIN THE PTO:

As the school year begins to wind down, the PTO is already planning for the 2018-2019 school year. The PTO organizes and funds 20+ projects during the school year. Our ultimate goal is to provide a fun and educational experience for all of our kids. In order to run these events, including Field Day, Carnival, Family

Bowling Days and Holiday Store, we need your help!

There is a myriad of ways you can help. Many PTO events require volunteers to supervise student activities, while others simply require a volunteer to make a few phone calls or bake some cookies. Every little bit helps and we are flexible to work with your availability!

We have a handful of vacancies for event chairpersons. Without your help, we may not have the manpower to provide all activities and events as in past years. Our meeting next month (Wednesday, May 9th) will include the election of officers for the 2018-2019 school year. If you are interested in becoming an officer, or if you would like to volunteer for an event, please contact Amanda Grindley (pimi812@hotmail.com) for more information.
