Nothing

Still planning on order. She will porch drop off to team liaisons

Middle School Boys (John Miller)

Handed out uniforms, ordered balls and first aid kit supplies. Waiting to hear about the season.

High School Boys (Rick Johnson)

Waiting to see what happens.

District 4 teams inviting us along with Mifflin County into their conference, hoping to start this as soon as next year. We would then be part of a conference.

Matt Gerty from Danville will do scheduling

Not sure of camps this year

Going to reach out to the seniors

Questionnaire for seniors

Look at maybe doing player recognitions, starting with seniors

Middle School Girls (Becky Fultz)

Handed out uniforms, going to need to figure out a way to collect back if the season doesn't happen.

Didn't buy items that were approved

Some teams have backed out of play. They are not waiting for PIAA to make a decision

Other Business:

Scrap shooter shirt order

Best scenario would be to eliminate all non conference play

12 seniors

Middle school registration fees. Drafting a letter, Jay Mathieu said he could reverse the charges , but fees will apply and be deducted. The board would need to cover those fees in order to return the full amount paid by parents.
