Board Reports:

Fundraising:

- Mindy brought everyone up to speed on the potential issue with the Disney trip. The winner needed to postpone the trip, therefore we need to figure out how to handle the expense being on Melissa Miller's credit card.
- Possible fundraiser for this year instead of the us putting on the chicken bbq, have Scott's roasting and or Clem's bbq create the meals and we get a percentage of profit.
- Monthly calendar lotto as a possibility

Coaches and Team Liaison:

Girls Varsity: looking for field time to possibly get the girls out to practice.

Boys Varsity: Rick is hoping to get more interest from kids. Trying to find time for open gym, Possibly Sunday nights. Willing to have both boys and girls combined. Rick is researching ways to possibly repurpose balls so they can be used instead of buying new balls. Rick suggested each team create a budget how much the team may need for the upcoming season. We would ask each team to have it in by December. Board would need to approve the amounts for each team. Laurinda Benner said she can help with the amount needed for banquet cost and gifts for each team. Rick also brought up the suggestion if the Jr High team coach could be paid in any way? Can the booster club give the coaches gift cards as reimbursement?

Girls Middle School: Becky may need to be replaced as head coach due to her work schedule. She has let her parents know that may be the issue so they are aware. She will also submit her list of needs for the team.

Boys Middle School: John would like to participate in open gyms if possible.

- Middle school boys are in need of a team liaison. Laurinda was going to check with Diane Klimek and or Sue Perryman to see if they may be interested.
- Amanda Hamilton gave Sue Besch the donation money from the chicken bbq. Total was \$330.00.

New Business: Deb Moore asked for the head coaches to give her a list of the assistance so they can be board approved.
